Called to order

Present: Carol Hall, William Edgar Jr, Bill Lee, Bryan Chodkowski

Raffia Farms-a map is passed out to illustrate what land the owner would like the trade with the Town after clarifying what is owned by Collins, Raffia, and Town.

Clarification of future use of land Raffia would like to take will help the Town make a decision. What is the long term plan?

Proposed land for the Town to take has escarpment issues. Does it help the gun range? Farmland preservation?

Informational update on Hazardville Institute-Final agreement for grant of conservancy is in the works. Work on the institute must be worked out so that work doesn't spill over onto the Subway plaza property.
