TOWN OF ENFIELD ANNUAL BUDGET

EXECUTIVE SUMMARY

March 16, 2015

Honorable Members
Enfield Town Council
Enfield, Connecticut

Councilors:

Pursuant to Chapter VI, Section 3 of the Enfield Town Charter, I present to you the proposed Fiscal Year 2016 Annual Operating and Capital Budget for the Town of Enfield. Town Department personnel have been working on preparing this proposed budget since October 2014. This document is the culmination of countless hours of meetings, dozens of reviews, and a multitude of decisions that seek to align available resources with the needs of the Enfield community.

This document serves as the starting point for your discussions with departmental staff on the necessary resources for the Town organization to provide the level of services you wish to deliver to the residents of Enfield. The final budget must be adopted prior to May 19th, 2015.

The General Fund budget for Fiscal Year 2016 totals \$125,369,688 in expenditures. Balanced with \$125,369,688 in expected revenues. The proposed Fiscal Year 2016 budget projects an increase of 4.5% over the adopted Fiscal Year 2015 budget. The expenditures for Fiscal Year 2016 are allocated to the Town of Enfield in the amount of \$59,486,006 and to the Board of Education in the amount of \$ 65,883,682.

To balance the Fiscal Year 2016 budget, it is necessary to increase the mill rate levied on the real property, vehicles, and personal property within the Town of Enfield. This year's proposed mill rate is 30.34, an increase of 1.21 mills or an approximate 4.2% increase.

Major Factors Impacting the Fiscal Year 2016 Budget

A number of factors are responsible for the projected increase in the Fiscal Year 2016 General Fund budget. The major cost drivers are:

1. Employee health insurance benefits. Currently, employee health care insurance premiums are projected to increase by approximately 15%. This represents a dollar increase of approximately \$850,000 to the overall operational budget.
2. Employee wage increases. Contractual and annual wage increases for Fiscal Year 2016 represent a 7.5% increase. This increase seems higher than expected due to the fact that a number of the larger bargaining units settled

collected agreements after the FY 2015 budget was adopted and included previous year retroactive increases. While the standard yearly increase was 2%, the retroactive pay was not accounted for fully in the FY 2015 budget.

3. Spiking of debt service costs. The debt servicing costs for FY 2016 was set to increase by \$1,174,826 over adopted FY 2015 costs. However, the Town will be doing a refunding of some previous debt that is projected to reduce this increase, but will still impact the budget by \$674,826.
4. Pension Increases - Due to a change in the actuarial calculations for the Town's two pension funds, contributions to meet the required targets need to be increased by \$462,000.
5. Stowe School being brought back into service. In FY 2016 it is expected that the Stowe School building will be brought back into service as the Early Childhood Learning Center. This facility will host the Enfield Child Development Center, a Family Resource Center hub, KITE, and the Schools pre-school. It is anticipated that facility costs associated with staffing and utilities will add \$294,000.

New Fiscal Year 2016 Budget Initiatives

The Fiscal Year 2016 budget includes a number of new initiatives that will enhance the services offered to the Enfield community or improve the efficiency and effectiveness of the provision of those services. Among the more notable initiatives are:

1. The addition of a second electrician for Buildings and Grounds - A second electrician, along with the purchase of additional equipment, will allow the Town of Enfield to bring in-house the maintenance of streetlights. Additionally, this second electrician will allow more work to be done and in a timely manner. It is believed this initiative not only will save money in the long run, but also improve the level of service for streetlight repair.
2. Enhancement of services related to creating healthy families in safe vibrant communities - FY 2016 Budget provides additional staffing within the Family Resource Center, Youth Services, and Neighborhood Services to meet the growing demand for mental health, education, parenting, and living services within the Town. I believe that the proposed initiative will help parents achieve economic self-sufficiency, promote children's healthy development, help children gain necessary skills to succeed in school and help youth graduate from high school and become ready for college and their careers. This initiative includes funding for 4.5 new positions within the previously stated divisions of Social Services.

3. Construction of parking lots for the Angelo Lamagna Activity Center and the Hazardville Institute.
4. Painting of the exterior of the Thompsonville Village Center.

Other Major Funds

The Fiscal Year 2016 Budget also includes funding for other funds that comprise the balance of Town operations. Like the General Fund, these other major funds have experienced increases in cost related to personnel expenses. The following table presents the requested funding for each of these other major funds compared to FY 2015 Adopted Appropriations:

Fund	FY 2014 Adopted	FY 2016 Proposed	Difference + / (-)
EMS	\$3,110,738	\$2,983,418	(\$127,320)
Water Pollution Control	\$6,226,300	\$5,388,541	(\$837,759)
Social Services	\$5,918,002	\$6,759,400	\$841,398
Information Technology	\$3,607,814	\$4,097,511	\$489,697
Recreation	\$593,922	\$590,674	(\$3,248)
Capital Improvement	\$2,481,006	\$3,355,925	\$874,919

I wish to thank the Town staff that participated in the development of this budget. Town staff is committed to providing the highest level of service possible. Further, Town staff is prepared to work with Town Council to develop a final budget that reflects the needs of our residents, and carry that plan out to the best of our ability

Respectfully submitted,

Matthew W. Coppler
Town Manager

DESCRIPTION OF THE TOWN

Enfield was incorporated in 1683 as part of Massachusetts and was annexed to Connecticut in May, 1749. The Town of Enfield consists of 33.8 square miles and is located east of the Connecticut River along the Interstate 91 corridor 18 miles north of Hartford, Connecticut, and 9 miles south of Springfield, Massachusetts. Centrally located between Boston and New York City, and just a 15-mile drive from Bradley International Airport, Enfield is accessible to the major northeast economic markets via interstates 91, 84 and 90. Passenger transportation is provided by Amtrak and interstate and intrastate buses serve the area. Conrail provides freight service. The Town recently introduced local public bus service, called the Magic Carpet, to provide connections to the Hartford Express Bus service and eventually to the Enfield Intermodal Transit Center which will be located along the New Haven-Hartford-Springfield rail line. The enhanced commuter rail service is expected to begin in 2016, as part of the Connecticut Department of Transportation transit initiative.

Enfield's location, transportation access, quality work force, land, infrastructure and business services have attracted many first-rate corporate citizens. The Town has a diversified commercial/industrial base of manufacturing, research, engineering, distribution, service and retail facilities. Several companies have located their corporate headquarters in Enfield. A total of approximately 2,200 businesses are located in Enfield. They include:

Massachusetts Mutual has a 400,000 square foot office in Enfield and approximately 1,755 employees. This Fortune 100 company is headquartered in Springfield, Massachusetts.

Hallmark Cards, Inc., has its east of the Mississippi River distribution facility in Enfield. They operate in a 1.3 million square foot, highly automated facility. The company employs approximately 675 people at their Enfield facility.

LEGO, Inc., a global leader in production and sales of children's plastic blocks and related toy lines employs over 715 people in a sprawling campus in Enfield.

Underwriters Laboratories, Inc., opened a new Enfield research facility in 2013. The 45,000 square foot lab employs about 153 technicians and administrative staff.

Retail Brand Alliance, Inc., the owner of Brooks Brothers and other retail companies is headquartered in Enfield. The office and distribution complex totals 1.5 million square feet with over 450 employees.

Eppendorf Manufacturing Company, a manufacturer of plastic pipettes used in medical research and an assembler of medical centrifuges maintains a 300,000 square foot facility in Enfield which employs about 230 people.

Enfield Memorial Industrial Park

In the early 1970's, the Town of Enfield purchased a tract of land and developed a 550 acre industrial park. The property was divided into 28 original sites, totaling 305 acres for industrial and commercial development. Seventeen industries occupy the park, in addition to the Brookside and Super Stop & Shop Plazas.

Some of the better known companies which occupy the Park include the northeast regional distribution center for Eli Lilly Company, a leading pharmaceutical company; Excell Metallurgical Corporation; Eppendorf Manufacturing, a manufacturer of plastic pipettes used in medical research and an assembler of medical centrifuges; Ultracast, a manufacturer of communications system components; Emhart Glass and the Connecticut regional call center for Comcast Cablevision.

Commercial and Retail Business

Considerable growth in commercial and retail establishments has taken place in recent years. Enfield is home to approximately 2.9 million square feet of retail space in seven large retail venues as well as several smaller retail venues. The shopping centers have had substantial reinvestment and minimal vacancies in recent years and include:

FORM OF GOVERNMENT

The Town of Enfield is organized under the Council-Manager form of government by a Charter adopted by a referendum vote on December 5, 1962. The Charter became effective July 1, 1963 and was most recently revised in 2014.

The legislative power of the Town is vested exclusively in the Town Council. The Council is made up of eleven members elected biennially for two-year terms: one councilman elected from each of four voting districts and seven councilmen elected at-large. Minority representation is guaranteed as only four councilmen-at-large may be elected from one political party. The Council elects a Chairperson and Vice-Chairperson who during their occupancy bear the title of Mayor and Deputy Mayor respectively. The Council appoints the Town Manager who is the chief executive officer of the Town and during his or her term of office must reside in Enfield. The Manager is directly responsible to the Council for the administration of all departments, agencies and offices and is in charge of persons or boards appointed by him or her.

The Manager appoints all department heads and other officers and employees of the Town except as otherwise specifically provided by the Charter. The Council and its members deal with the administrative staff solely through the Manager.

In addition, the Manager sees that all laws and ordinances governing the Town are faithfully executed, makes periodic reports to the Council, prepares an annual Town Report, keeps the Council fully advised as to the financial condition of the Town, prepares and submits to the Council an annual budget and performs such other duties as may be required of him or her by the Charter, ordinance or resolution of the Council.

SUMMARY OF MUNICIPAL SERVICES

Police: The Police Department consists of 106 full-time personnel including 99 sworn officers. Department personnel are highly trained, well-educated, and highly motivated to provide exceptional public service and law enforcement. The department occupies a modern 24,000 square foot facility.

Fire: There are five independent Fire Departments each located within a Fire District. The Fire Districts have the power to make appropriations and levy taxes. The Fire Districts employ 40 full-time personnel and approximately 100 volunteers. The Fire Districts use modern vehicles at six locations throughout the Town for fast and comprehensive responses.

Ambulance: The Town EMS department provides 24-hour service that is funded in part through donations from residents and private organizations. The service uses five emergency vehicles and is staffed by 28 full-time EMT's.

Public Works: The Department of Public Works is responsible for the maintenance of all Town-owned structures, highways, bridges, sidewalks, disposal facilities and sewer system. The Town has 180 miles of road which are maintained through a pavement management program and a modern fleet of vehicles. The Department of Public Works employs 121 full-time individuals.

Development Services: The Town has a full service Development Department that is responsible for all planning, building inspection, code enforcement and community development functions.

Finance Department: The Town's Department of Finance is divided into four divisions: Administration, Treasury, Assessment and Revenue Collection, and Purchasing (General Services). Major functions of the department include: financial reporting and accounting, accounts payable, accounts receivable, treasury (cash) management, payroll, risk management, collection of revenues, centralized procurement, administration of both operating and capital budgets, debt management and grant administration.

Social Services: The Social Services Department provides for the administration and coordination of social and elderly services. These services include elderly and handicapped transportation, outreach to youth and elderly, counseling, financial aid and a senior citizen center.

Recreation: The Recreation Department administers a comprehensive recreational program designed for year-round activities for all ages. Programs consist of tennis, basketball, hockey, paddle tennis, soccer, dance, aerobic, and many craft classes.

Water: The Connecticut Water Company and Hazardville Water Company supply water to the Town residents.

Sewers: The Town of Enfield operates a wastewater treatment plant, 16 pumping stations and maintains approximately 250 miles of street laterals and interceptors. The plant serves approximately ninety percent of the Town's population and is currently running at approximately fifty percent of capacity. Effective January 1, 2014, the cost of operation and maintenance of the sewer system is provided through a sewer use charge. The sewer use charge is billed quarterly based on water consumption data provided from the local water companies. The use charge was approved by Council in FY 2014 in order to raise money to finance approximately \$36 million in recommend improvements. The Town anticipates the State will assist with financing through a 20% grant and a low interest loan from the Clean Water Fund. Town staff anticipates seeking approval for the improvements with a referendum vote November 2015.

Solid Waste: The Town has a contract with Covanta Springfield Inc., located in Agawam, Massachusetts for disposal of its solid waste. The 5 year contract will expire June 30, 2017. The 2015 and 2016 tipping fees are \$60.22 and \$61.72 per ton, respectively.

Schools: Enfield’s educational system services grades pre-kindergarten through twelve. The schools are governed by a nine-member local Board of Education. Board members are elected to two-year staggered terms. The Board exercises legislative authority over the schools in accordance with State Statutes and the State Board of Education rules.

During FY 2011-2012 the Board of Education approved the consolidation of its two high schools to one location because high school facilities have also been impacted by declining enrollment. Studies suggest consolidating the high schools to one location at Enfield High will result in a long term savings. The consolidation entails expansion of Enfield High, and is partially funded by the State. In November 2012 voters approved borrowing \$35 million for the Town’s share of the \$103 million total cost. Construction is currently underway, with an expected completion date of September 2016.

Department: Probate

Descripton:

The Judge of Probate is an elected official who serves a four year term of the office. The duties, powers and functions of the Probate Court are fixed by State Statute and include the following: the appointment of legal guardians over minors; and the appointment of conservators over incapables. The administrative operations of the Probate Court are self-sustaining except that State Statute required the municipality to provide the court with the office space and necessary supplies and equipment. This budget serves to meet that statutory mandate.

Description:

Operating out of Enfield Street School, the Enfield Family Resource Center (FRC) is in its 16th year serving children and families in the Town of Enfield. Primarily funded by a grant through the State Department of Education, the FRC helps to provide the best possible start for children and families. It is a school-based, family support program that provides comprehensive services where the school is the means by which family needs are met. The FRC provides services in seven areas, either through direct service or collaboration: Parent Education and Support including early learning groups and home visits for families with children under age 5; Outreach to Family Day Care Providers; Positive Youth Development; Resource and Referral Services; Adult Education and Family Literacy; Full-Day, Quality Preschool; and School-Aged Child Care.

The Stowe Family Resource Center is in its third year of operation and has just moved from Hazardville Memorial School to what will be Enfield's new Early Learning Center. It is funded by private funds with LEGO being the main sponsor and other local businesses contributions. The Stowe FRC offers an array of parent education and support services for families with children under age five, outreach to family day care providers, resource and referral services, and services to children and families.

2014 - 2015 Accomplishments:

- Implemented a business campaign to sustain the Stowe (formerly Hazardville) FRC and gained eight new business sponsors and received a private foundation grant.
- Became proficient in State Department of Education's new FRC data collection and reporting system for the Enfield Street School site. • Increase number of developmental screening provided by 300% for a total of 114 completed screenings • Provided 308 programs for families and 144 educational home visits.
- Increased number of educational home visits offered by 43% from 2012-2013 second quarter. Received additional \$100,000 grant from LEGO Children's Fund.
