District until after an application for the certificate of appropriateness as to the exterior architectural features have been submitted to the Commission and approved by said Commission.

**Section 10 Consideration in Determining Appropriateness:** The Commission shall consider, in addition to any other pertinent factors, the historical and architectural value and significance, architectural style, general design, arrangement, texture and material of the architectural features involved and the relationship thereof of the exterior architectural style and pertinent features of other structures in the immediate neighborhood. A certificate of appropriateness may be refused for any building or structure, the erection, reconstruction, restoration, alteration or razing of which, in the opinion of the Commission, would be detrimental to the interest of the Enfield Historic District.

The Planning Office has attached draft resolutions for the Commission's consideration.
