

# SMALL GROUP PICKLEBALL

## AGES 18 AND UP

Are you looking for something active to do this December? Join us for indoor pickleball! Due to COVID-19 restrictions and guidelines, the program will look a little different than in the past. Modified rules and program set-up include:

- Enfield residents must pre-register for a session listed below.
- Each session will have a maximum of 4 participants. No subs will be allowed.
- Participants must wear a face mask at all times during their session while in the ALAC.
- Participants should not arrive to the ALAC more than 10 minutes before the start of their session.
- Each session ends at the time listed below. Participants must exit the ALAC at their session's end time.
- Social distancing of 6 feet should be maintained where feasible.
- Pickleball game balls will be sanitized frequently before, during and after each session.
- Sign in will be contactless. Participants must sanitize their hands before entering the gym, between each game and as needed. Hand sanitizer will be available during the program.
- The gym and all program equipment will be sanitized before and after each session. Nets will be set up and taken down by Recreation staff.
- Participants must bring their own paddle and water bottle and wear sneakers and comfortable clothes. Water fountains will not be available for use. No sharing of equipment other than game balls will be allowed.
- Participants must complete a self-screening before attending each session. Email reminders will go out weekly. If a participant or someone in their household does not feel well for any reason, they should not attend the program.
- Participants should notify the Recreation Office if they or anyone in their household test positive for COVID-19 during the program or in the 14 days immediately following their last day of participation.
