

## **2005 Connecticut State Building Code**

(Effective 31 December 2005. Amended 1 August 2009 and 7 October 2011.)

The 2005 State Building Code comprises the following model building codes with a state supplement and may be obtained from the sources listed below:

---

2003 International Building Code\*  
2003 International Mechanical Code  
2003 International Plumbing Code  
2003 International Existing Building Code  
2009 International Energy Conservation Code  
2003 International Residential Code\*  
ICC/ANSI A117.1-2003 Accessible and Usable Buildings and Facilities (handicapped code)  
2005 National Electrical Code (NFPA 70)

\*Connecticut Specific Editions of these two codes are available with the state supplement language already incorporated. The 2009 state amendments are not incorporated in these editions.
