Wednesday, September 19, 2018

Welcome to Federal Hill—Providence's Little Italy. It is a great place to stroll and visit the Italian food emporiums and bakeries. Enjoy a slice of Italy as you watch the great fountain in DePasquale Square.

We'll begin our day at **Scialo Bros. Bakery**, well known for their fine bread & pastries. Enjoy a tour & demonstration along with a sample of pastry and coffee or tea.

We then continue to **Trattoria Zooma**, a Southern Italian kitchen featuring handmade pasta and wood-fired pizza. The chef delights and entertains you with his **tableside demonstration** of the techniques used in pizza making.

Our **5 course family-style meal** includes: salad, assortment of grilled pizzas, fried mozzarella, potato gnocchi, penne pasta, and Chicken Marsala, with cannoli & coffee.

Following lunch we will stroll over to **Venda's Ravioli Emporium** to shop for fine Italian foods, olive oil, and cheeses...

We'll complete our day with a riding **Tour of Providence** with our local step on guide.
