

Welcome to Enfield's Thompsonville Community Garden Beds!

Welcome and thank you for joining us at Thompsonville Community Garden. We are very excited to have you come and be a part of our community garden. Thompsonville Community Garden is a community garden project that was established in 2008 by the Town of Enfield, the University of Connecticut Master Gardener Program and a grant from the Connecticut Department of Energy and Environmental Protection. The Thompsonville Community Garden provides garden plots, education, resources and a sense of community for all Enfield gardeners to grow their own organic vegetables.

Approximately 50 garden beds will be communal beds to be tended by members or to be made available to families in need through Loaves and Fishes. Our educational classes will bring people together and provide us with information to teach us how to grow organically. We will learn

- why raised bed gardens are preferred by gardeners,
- the advantages of a raised bed garden,
- how to prep your raised bed garden,
- what are the most popular type, (great for vegetable, and herb gardens, as well as flower gardens and some fruits that do well),
- what materials are provided to you which begins with the perfect soil mix,
- how to plan the right crop for you, and
- how to maintain your bed for a fruitful harvest.

Beds will be filled with new garden soil. All tools in the shed, directions and information will be provided. To get you started with a bed rental, please read the attached Rules and Procedures and sign the Bed Rental Agreement and Waiver of Liability at the end of this packet. **Please plan to attend the Community Garden kick-off meeting on Wednesday, June 5 at 5:00 p.m. to 6:00 p.m. at the Town Hall, Council Chambers and the 2019 Planting Day, which is scheduled for Saturday, June 8, 2019 from 10 a.m. to noon.**

Our end of season cleanup day is scheduled for Wednesday, October 2 from 3:00 p.m. to dusk. We look forward to another season of learning from Nature and interacting with some wonderful people.

Thank you and happy gardening, *Laurie*
