# Dolphins Swim Team Program Information

## What is Dolphins?

The Dolphins Swim Team is hosted by the Enfield Recreation Division for boys and girls ages 5-18 years old as of December 31, 2019. The team swims at the **The Enfield Municipal Annex Pool, 124 North Maple Street (former Fermi High School)**. The coaching staff believes that it is important to teach the strokes correctly to the swimmers in a way that is developmentally appropriate while giving them ample opportunities to practice what they have learned. The focus is on improving strokes and times while having fun and being part of a team.

## We don't live in Enfield... can we still swim?

Yes! In the summer, our league allows us to take swimmers from Enfield and any town that borders us and does not have a CCSL town team. We have or have had swimmers from Broad Brook/East Windsor, East Longmeadow, Ellington, Longmeadow, Somers and Suffield. For swimmers who live in a town that does not border Enfield, but also does not border any town with a CCSL team, we ask the league for an exception. If you are unsure about your town, please ask!

## Why Dolphins?

Dolphins is a great way to continue on the success of swimming lessons and keep swimmers in the pool. Swimmers will continue to progress while learning and improving their strokes. Our coaches believe that every swimmer on the team is important and we want swimmers to improve and achieve while learning and having fun. Coaches foster an environment that celebrates sportsmanship, improvement and team spirit. Swimming is a lifelong sport and many long-lasting friendships have begun at Dolphins.

It's okay if swimmers have only taken swimming lessons and have never swam on a team before! We are here for them to have fun, learn and improve. Even the Olympians were once just brand new swimmers at their first swim practice!

## Practice & Meet Information

**PRACTICE** is usually offered 3-4 times per week. Swimmers are expected to attend practice twice per week, however, they may attend every night if they wish! You choose the nights they attend and those nights can change from week to week. Practice times are assigned by swimmer age and ability; swimmers will be assigned a practice group based on this. By splitting swimmers up by age and ability, it helps to make sure that every swimmer is in the right level and are learning things that are appropriate to their development. Practice will begin in May and runs to the end of July/first week of August.

Female swimmers will need a one-piece racing style swimsuit (no halters, cut-outs, etc.), a swim cap and goggles. Male swimmers will need a swimsuit, goggles and swim cap if their hair is longer. *Note: silicone swim caps are recommended but not mandatory.*

**SWIM MEETS** will begin in late June and are held during the week after 5 PM. All swimmers are expected to compete in swim meets. Typically we have 3-5 meets plus a Championship meet. Swimmers compete against other children who are in their age group. A swim meet schedule will be handed out early in the season after the coaches attend the pre-season league coaches' meeting.

We do have a team suit that we recommend all swimmers purchase and wear for meets only. The team suit helps swimmers to feel as though they are a part of the team. These suits can be purchased on team suit night and that date will be forthcoming. All swimmers wearing a cap must wear a Dolphins cap to meets. Swimmers will be given a latex cap to wear.

*Please note: The boys team suit is a jammer style. This is a knee length suit that is tighter than typical board shorts.*

## Returning Swimmer Information

A limited number of spots are available for this program. It is **HIGHLY RECOMMENDED** that you register early to ensure a spot in the program. Registration or participation in previous seasons does not guarantee a spot.

## New Swimmer Information

**EVALUATIONS** are held to make sure that swimmers are safe in the water and ready to be on the swim team. Evaluations for new swimmers will be held **April 24 and May 13, 5:30 - 6:30 PM** at the Annex Pool. Those interested in joining the swim team must attend one of the two try-out nights. Those trying out will need to bring their bathing suits to demonstrate skills to the coaches. A minimum skill & endurance level is required to participate in the program. Minimum requirements by age group are as described below.

**8 & Under:** 25 yards on stomach and 25 yards kicking on back

**9-12:** 50 yards freestyle, ability to coordinate rotary breathing and 50 yards backstroke

**13 & Over:** 100 yards freestyle with proper rotary breathing and 100 yards backstroke

If we do not feel the swimmer is ready for swim team, we will recommend a swimming lesson level for them.

Parents will also be provided with information about the team, time commitment, required fees and more. Once try-outs are completed, the Recreation Division will contact participants to let them know if they are eligible for the team. At that time, information about registering new swimmers will be provided.

Please **DO NOT** register before your child tries out and is told by the Recreation Division that they are eligible to participate.
