

# Reminder... Enfield Recreation has gone PAPERLESS.

Enfield Recreation no longer prints a seasonal program guide to go home with Enfield school children. In an effort to save resources and “go green”, we post all program offerings on the Recreation homepage, [www.enfield-ct.gov/recreation](http://www.enfield-ct.gov/recreation), and only send a registration reminder flyer home with students. If you don't have access to the internet, you can always stop by the Recreation Office to view our program offerings in paper form. New and additional programs are always being added, so make sure to check the website regularly.
