Swimmers attend the meets for their assigned age group. All 12 & Unders attend the Junior meets and all 13 & Overs attend the Senior meets. In order to be the best team we can be, we need every swimmer at each meet, on time and ready to swim! If there is a pressing reason why you cannot attend a meet, need to leave early or will be late, please let us know in an email (dolphins@enfield.org) by the coordinating date above. We will confirm that we have received the email.

You will receive a packet for each meet in the week leading up to it. This will give you all the information that you need including directions and any special instructions. We need every family's help at meets. Worker sign-ups for home meets will also be available in the week prior to the meet. If your child is sick or another emergency occurs, please follow the instructions that will be emailed in your meet packet for that meet.

Swimmers must attend at least 2 meets to be eligible for Championships. Every swimmer who has met this requirement will be eligible for Championship meets.

Please note that we ask that you do not enter any building (whether home or away) more than 10 minutes prior to check-in time. Thank you for your anticipated cooperation!
