Show Up for Success – A 4-part Series

This 4-part series, of which any or all may be attended, is designed to build interactive skills for job seekers, as well as others who interact frequently with the public, and who need/want to build additional skills to thrive in a virtual setting.

10/17/20 @ 9AM: Understanding Personality using DiSC (90 mins): Personality preferences (ours and others') impact how we communicate, the speed at which we process info and make decisions, and much more. During this session, participants will learn the basics of personality type as well as a few keys to detecting type in others. Noticing type supports effective interviewing. Registration: <https://aarp.cvent.com/Success1>

10/24/20 @ 9AM: Resilience and Adapting to Change (90 mins): "Normal" shifts each day, sometimes several times each day. During this session participants will learn a four-part model for acknowledging and accepting what IS and managing what they can control. The purpose of this session is to increase participants' emotional self-awareness and self-management. Registration: <https://aarp.cvent.com/Success2>

10/31/20 @ 9AM: Laugh & Lighten Up! (90 mins): Play, energetic engagement, and focusing on what is good and positive lights up the brain and floods our bodies with chemicals that support creativity and joy. Participants in this session will engage in playful exercises that challenge them to smile, be in the moment, and support one another. Registration: <https://aarp.cvent.com/Success3>

11/7/20 @ 9AM: Online Interviews (60 mins): Candidates and professionals interviewing online have the ability to positively impact their outcomes based on choices that are in their control: lighting, position of camera, ease/difficulty in using technology, etc. During this sessions we'll cover physicality, eye contact, the importance of understanding communication using online platforms, and showing up professionally. Personal Branding for the New Decade – A 2-Part Series for AARP CT Webinar Wednesday, November 2020

The future of work is here! Are you ready to embrace it?

There are 6 MEGA Shifts all happening now that would normally take a 20-year span to prepare for. Over the last few months, America has experienced a wake-up call that is unlike anything we've ever seen before. Business as usual is unrecognizable. How and where people work has changed forever. Masks have become the new normal for the entire globe. How long will this last? More importantly, what's next, and what should we be doing now to help make our "New Normal" careers, gigs, and startups as successful as possible? In two special upcoming presentations delivered by Loretta Ann Stevens, CEO, and Brand Leverage Expert at Competitive Edge Branding, Loretta will show you how to anchor your *Personal Brand for the New Decade* with new branding strategies. Loretta will share two 45-minute Zoom presentations that will shift how you think about your Personal Brand for your career advantage. Plus, we will be running an interactive chat throughout both Zoom sessions to engage in ongoing comments and questions.

Sign up for either or both sessions.
