Enfield youth 15 years old and younger can get outside and head to their favorite fishing spot to cast a reel and catch some fish. Winners will be contacted and announced after the entry period has concluded.

KIDS TO PARKS DAY - SATURDAY, MAY 15, 2021

Kids to Parks Day is a "national day of outdoor play" designed to connect youth and their families with local, state and national parks and public lands. Kids to Parks (KTP) Day events promote discovery and exploration in the great outdoors! KTP Day falls within our Fishing Derby, so we encourage you to get out, explore your local parks and maybe even find a fishing spot to catch some fish for the Derby! Whatever you do, we hope you get outside to explore the great outdoors!
