Lacrosse Clinic

Boys and Girls in grades 3 - 8

FREE!

Do you have an active child who is ready to try a new sport? How about lacrosse - the fastest game on 2 feet! This two day clinic will introduce boys & girls, in grades 3 - 8, to the sport of Lacrosse through FUN games and drills. Participants will learn the fundamentals of Lacrosse - throwing, catching, cradling, scooping and shooting. The clinic will be led by local boys & girls lacrosse coaches with many years of playing and coaching experience. No equipment required. We can provide you with a stick to use during the clinic or you can bring your own if you have one. This FREE clinic is open to both boys and girls in Enfield. Participants and parents will be required to follow all federal, state and local COVID-19 protocols.
