

Fishing Field Trip with CARE

Adults and families with children 6 years and older

Fishing is a lifelong sport that can be enjoyed across generations! If you are looking for a way to practice your skills and gain knowledge of the sport, join the CT DEEP *Connecticut Aquatic Resources Education* (CARE) program this spring for a FREE Fishing Field Trip being held at Freshwater Pond. All fishing equipment, bait and expert instruction will be provided for use during the fishing trips. Pre-registration is required and everyone in attendance must register for a spot. Youth 15 years and younger must be accompanied by an adult. Participants 16 years and older MUST have a valid fishing license to participate. Participants are encouraged to bring a folding chair and may bring their own fishing equipment if they prefer. Participants can arrive and leave at any time during the events. Inclement weather may cancel this event. Registered participants will be contacted by the CT DEEP CARE division with any cancellation updates. Participants will be required to follow all federal, state and local COVID-19 protocols. **Limit: 35.**

Date: Tuesday, May 17, 2022

Time: 4:30 - 7:30 PM

Location: Freshwater Pond, North Main Street

Fee: FREE!

Pre-registration is required online through the [CARE program's website](#).

It is strongly recommended that participants register for and attend a virtual Introduction to Fishing course found [HERE](#) before attending a fishing field trip.

This program is open to both residents and non-residents and registration opens April 1st!
