

**Dolphins Swim Team
Spring/Summer 2022**

Dolphins Swim Team Program Information

What is Dolphins?

The Dolphins Swim Team is hosted by the Enfield Recreation Department for boys and girls ages 5-18 years old as of December 31, 2022. The team swims at the ***The Enfield Municipal Annex Pool, 124 North Maple Street***. The coaching staff believes that it is important to teach the strokes correctly to the swimmers in a way that is developmentally appropriate while giving them ample opportunities to practice what they have learned. The focus is on improving strokes and times while having fun and being part of a team.

Why Dolphins?

Dolphins is a great way to continue on the success of swimming lessons and keep swimmers in the pool. Swimmers will continue to progress while learning and improving their strokes. Our coaches believe that every swimmer on the team is important and we want swimmers to improve and achieve while learning and having fun. Coaches foster an environment that celebrates sportsmanship, improvement and team spirit. Swimming is a lifelong sport and many long-lasting friendships have begun at Dolphins. We are here for them to have fun, learn and improve. Come join the Dolphins family!

We don't live in Enfield... can we still swim?

Yes! In the summer, our league allows us to take swimmers from Enfield and any town that borders us and does not have a CCSL town team. We have or have had swimmers from Broad Brook/East Windsor, East Longmeadow, Ellington, Longmeadow, Somers and Suffield. For swimmers who live in a town that does not border Enfield, but also does not border any town with a CCSL team, we ask the league for an exception. If you are unsure about your town, please ask!

Questions?

We will be more than happy to answer any questions that you might have!

Playing a spring sport?

Don't count yourself out!

We have lots of participants who do multiple sports, especially in May.

We just ask that you let us know so that we know not to expect them as often at practice

IMPORTANT INFORMATION: Swim Team vs. Swim Lessons

Dolphins Swim Team is NOT a program for non-swimmers. If you are looking for beginner swim lessons for your child, they are not ready for swim team. Enfield Recreation will have swim lessons this summer at the Enfield Annex Pool. Please visit www.enfield-ct.gov/recreation for SWIM LESSONS testing night in early May.

Practice & Meet Information

PRACTICES are usually offered 3-4 times per week. Practice times are assigned by swimmer age and ability; swimmers will be assigned a practice group based on this. By splitting swimmers up by age and ability, it helps to make sure that every swimmer is in the right level and are learning things that are appropriate to their development. Practice will begin on **MAY 24th** and runs to the end of July/first week of August.

MEETS All meets and Championships are to be determined. The CCSL league meets in early June to determine dates, times and locations. **Typically** Junior meets (ages 5-12) are held Monday nights in July and Senior meets (ages 13-18) are held Wednesday nights in July. Championships are typically held on a Saturday, and is an all day event. **While the league feels confident that we will be able to have meets this summer, currently meets, meet days/times and meet structure information is not finalized due to many teams re-building, post pandemic.**

New Swimmer Information

EVALUATIONS are held to make sure that swimmers are safe in the water and ready to be on the swim team. Evaluations for new swimmers will be held **April 21 and April 26** in the evening at the Annex Pool. Those interested in joining the swim team must attend one of the two try-out nights. Those trying out will need to demonstrate in water skills to the coaches. A minimum skill and endurance level is required to participate in the program. Minimum requirements by age group are as described below:

8 & Under:	25 yards on stomach and 25 yards kicking on back
9-12:	50 yards freestyle, ability to coordinate rotary breathing and 50 yards backstroke
13 & Over:	100 yards freestyle with proper rotary breathing and 100 yards backstroke

Parents will also be provided with information about the team, time commitment, required fees and more. Once try-outs are completed, the Recreation Department will contact participants to let them know if they are eligible for the team. At that time, information about registering new swimmers will be provided. Please **DO NOT** register before your child tries out and is told by the Recreation Department that they are eligible to participate.

We don't live in Enfield... can we still swim?: Yes! In the summer, our league allows us to take swimmers from Enfield and any town that borders us and does not have a CCSL town team.
