

Picnic Packs

Picnic packs are back! These packs are perfect for outdoor spring and summer gatherings. Packs are available to Enfield residents to use for a maximum of three days. Payment and proof of residency are required to secure your reservation. All reservations must be made in person at the Recreation Office at least 24 hours in advance of equipment pick-up. Payment is by cash or check only. Picnic packs are popular, so it is highly recommended that reservations be made as far in advance as possible to help ensure reservations for the desired date. All equipment will be sanitized between rentals.

Fee is \$12.00 plus a \$25.00 refundable deposit.
