

# YOUTH CHESS CLUB

**Grades 3 - 6**

This popular program gives participants the opportunity to play friendly games of chess against their peers in a low stress environment. Players of all levels are welcome, as assistance and instruction is given to those who need it. Designed to provide a setting for youth to learn and play chess, this club is not to be missed!

All playing materials will be provided, including “teacher sets” to help participants become familiar with the pieces, movements and concepts of the game.
