

Pet CPR and First Aid

Ages 18 and up

Would you know what to do if your beloved pet was having a medical emergency? Come learn how to respond to health emergencies and provide basic first aid to the four legged members of your family. This course will be taught by a certified instructor from *First Approach EMS Education* of Connecticut. Participants will learn rescue breathing, Pet CPR, choking protocol and assessing your pet's vitals. This course is for dog and cat CPR/First Aid. Participants should wear comfortable clothing and bring a pen or pencil to class. Participants can opt for certification in Pet CPR/First Aid when registering. Certification is received upon successful completion of testing. **Limit: 15.**
