ARTICLE IV RESIDENTIAL DISTRICTS

Section 4.00 Purposes

The purpose of Residential Zoning Districts is to encourage the construction of a variety of single family and other appropriate residential developments; to encourage the creative reuse of existing older buildings to meet the needs of Enfield's citizens; and to encourage quality residential development with adequate public services throughout the Town.

Section 4.10 Area and Bulk Requirements

The following table establishes the Jot, yard, and bulk requirements for the residential zones. Except as herein otherwise provided, no lot shall have an area or width less than indicated in the table below.

Unless otherwise provided for in these Regulations, only one (1) principal building is permitted on a lot. A building may contain two (2) dwelling units, except in the HR-33 Zone, where it may contain only one (1) dwelling unit or in the MFHD, a building may contain up to ten (10) dwelling units.

In addition, no building, accessory building, or structure — inclusive of any decks, porches, steps, or loading docks, decks, porches, or steps attached to or otherwise associated with such building or buildings — shall encroach upon the minimum setbacks front, side and rear yards indicated below, nor shall they cover a greater area nor shall they exceed in height the amount set forth in the following table.
