Said petition shall be accompanied by affidavits signed and sworn to by each circulator of such petition certifying to the authenticity of the signatures on such petitions.

(d) Prior to circulating any such petition, an elector may, but is not required to, submit such proposed ordinance, repeal of a vote, resolution or ordinance to the Town Attorney’s Office to be examined by the Town Attorney before being circulated. The Town Attorney is authorized to correct the form of such proposed petition for the purpose of avoiding repetitions, illegalities and unconstitutional provisions and to assure accuracy in its text and reference and clearness and preciseness in its phraseology but not materially changing its meaning and effect. If the Town Attorney should determine that the proposed petition is in violation of this Charter, the general statutes or constitution of the State of Connecticut or of the United States, the Town Attorney shall return said petition to the elector together with a statement of the reason or reasons for such determination.

(e) The registrar of voters shall determine the sufficiency of the petition and the affidavits and certify the same to the town clerk as clerk of the council within ten (10) days of receipt thereof. Certification to the town clerk shall be deemed to be filing with the council for the purposes of this section.

(f) Unless at least twenty (20) percent of the electors entitled to vote on the question shall have voted, such proposed ordinance or measure shall not become effective and the result shall be construed as against adoption.
